Badger Alloys, Inc. Announces Promotions

MILWAUKEE, WIS – Badger Alloys, Inc., a full-service sand-casting foundry based in Milwaukee, Wisconsin, is pleased to announce recent promotions within its management team.

Brad Moore has been promoted director of sales engineering after serving as industrial and manufacturing engineer and as project manager for the company over the past five-plus years.

Mike Podevels has been promoted to foundry manager. He has more than 30 years' experience in the foundry industry, working at Badger Alloys for the past eight years. Most recently he served as production coordinator, where he spearheaded the company's OTD improvement initiative to expedite orders through the plant.

Additionally, **Ted Butch has been named environmental, safety, and health manager.** A long-time Badger Alloys employee, Butch most recently served as the company's foundry manager.

Located in the heart of Milwaukee and founded in 1966, Badger Alloys offers single-source capabilities for custom castings. The company pours more than 200 different alloys and includes a sand foundry, pattern shop and machine shop to offer customers fully integrated services.
